

BUILD CHOPS, HAVE FUN, GET BETTER

Dear Friends,

I hope that you've had an outstanding year, and are ready to relax, recharge, and have a great summer! It has been a privilege to assist your child in their musical development this year, and I would like to thank you for that opportunity.

I am available for private instruction this summer, and would love the opportunity to work with you further.

Please check your calendar, then contact me via mail, e-mail, or phone at your earliest convenience, and we'll get everything set up!

MIX & MATCH SUMMER! - As everyone has an incredibly complex, fun, and exciting summer schedule, the summer lesson policy is a bit different from that in the year. You have the option to create a lesson schedule **that suits you** best. You may request either a ½ hour or 1 hour lesson time. I will put you in as close to your request time as possible, so act quickly to reserve your desired time! In order to provide the best possible lesson environment, all lessons this summer will occur in Danville, CA (less than 10min from Lafayette)

Tuition for the summer lesson program is \$400, and you may schedule **five hours** of lessons. If you'd like more time, I can certainly fit you in.
 Location: Danville Music - 1 Railroad Ave, Danville, CA (Next to Starbucks, Post Office, and Trader Joe's!)
